## Personal Profile

---

Web developer with a passion for coding, photography, and technology. An Information technology graduate with a wide range of industry experience from hospitality, retail and as an IT intern.

Due to my inquisitive nature and love for technology, I decided to continue and seek a career in software development. I recently completed a **12-week Full-Stack Software Development Bootcamp** which help me advance my skills in HTML, CSS JavaScript, and Python.

I am a fast learner and detailed oriented person eager to gain further experience in the field of software development.
